

Instructions for using Form 4.1A Participation of Humans Low Risk Approval

1. Form 4.1A

Submit this form to your adult supervisor. This form certifies that a low risk project involving the participation of humans is in full compliance with WWSEF regulations *Participation of Humans in Research - Low Risk*.

2. Documentation

The following documents must be given to the Adult Supervisor, along with Form 4.1A:

- a. The Survey (if your project involves a survey)
- b. The Information Letter that would be given to all potential participants
- c. The Informed Consent - a blank sample of your permission form

3. Instructions for Exhibitors

- a. Complete the table in Form 4.1A on a computer, not by hand.
- b. Save it, in case you are selected for WWSEF.
- c. Print the completed 4.1A and get it signed with all required signatures.
- d. Scan or photograph the form and email to ethics@wwsef.ca
- e. Store the original signed copy of Form 4.1A in a safe place.
- f. Make a paper copy of the completed signed form and keep it with your project at all times.
- g. Have the following documents with your project when it is on display:
 - i. Your Information Letter that you gave to every participant in your project
 - ii. A blank sample of your Informed Consent form that each participant signed before they participated in the experiment
 - iii. Your Survey, if your project involves one.

Form 4.1A
